EDITORIAL

The shitty bastard weather and the Winter Olympics have got us shivering like a shitting dog. So what better way to warm up than with *Club*? It makes useless kindling, so we'd focus on the girls if we were you – and hot-blooded Brit Sasha, our centrefold – will definitely warm the cockles. We've fallen in love with her, but then again we love every girl in *Club*. Our flower bill is costing us a fortune and the restraining orders are piling up... ♣

SANDY SLAMMED

Dear Sandy,

This is not fanmail, but it's not a nasty message or hatemail either. And I will never seek you or contact you again. I wanted to write and say what an impact porn has had on my life.

I first saw you in *Club* magazine at high school and thought you were extremely beautiful. It could be said that my first intimate sexual experience was whilst looking at pictures of you. I subsequently would seek pictures and videos of you on the internet, among thousands of other women.

But only now that I have had a serious and truly meaningful relationship with someone I really love do I realise how destructive and hurtful pornography really is. It very nearly completely

"It could be said that my first intimate sexual experience was looking at you"

ruined my life. It has hurt my lovely girlfriend enormously. The wounds are deep, but it is something we can get over with each other's help. I truly hope that the world, which can be a heaven for its people, comes to realise that porn is wrong, nasty, incredibly powerful and detrimental to all in its grasp. I hope and pray that you can find a way to live a better, happier, more meaningful life, as you are capable of changing other people's lives in a massive way.
Anon

Yes, well, thanks Anon. We'd like to assure you that this letter didn't arrive in a time machine – what with Sandy having retired from this parish some years ago – but actually in the mail. It's like those letters that arrive 20 years after they were sent and make the local news. Or that Japanese fella in the jungle who didn't know the war was over. We've taken your heartfelt words on board and… meh. Sounds like the problem is all yours, and runs deeper than anything you can pin on the legend that is Sandy. Most of our readers have a healthy relationship with porn, and take Club as part of a calorie-controlled sex diet.

I BET YOU FUCK GOOD ON THE DANCEFLOOR

Recently, on a night out with the lads, I pulled this lass in a nightclub. She was stunning. We'd barely said a word to each other after making eye contact from across the room. Then the next thing I know, we were making out on the dance floor and she was really getting into it, which turned me on. After a bit of grinding and getting kicked out of the club at closing time, she suggested that we get a taxi back to hers. I was

TIGER TOKENS!

I loved the piece on Tiger Woods. Like most people, I'd heard lots of rumours and read stuff in the papers, all without knowing what sorts of girls he's supposed to have shagged. Having seen those two porn stars, I'm not sure if he's a genius or an idiot. I mean, we've all dreamed of shagging porn stars, but if you were that rich and famous, why shag someone who's been around the block a few times and who your mates have probably seen a dodgy DVD of glugging spunk? On the other hand, if you're rich and famous, you want to fuck someone you know is going to be good – why risk blowing everything for a shabby fuck? Me, I don't know. All I know is that I'm shit at golf. Cheers.
Mal, Oldham

BRIT OF ALRIGHT?

A mate of mine always moans on about the 'fact' that there aren't so many British glamour models around these days. He reckons they're all lapdancing to make cash. Fair enough, but let's look at it another way – we get girls like Nikita (*Club* 39/2) from Eastern Europe in *Club* instead, which isn't too shabby as far as my cock and me are concerned. A fanny is a fanny as far as I'm concerned, no matter where it comes from.
Chris, York

That's very European of you, Chris. We love Eastern European girls too, but we're determined to unearth the finest homegrown honeys too. Check out covergirl Sasha and Reader's Girlfriend Dani in this issue – they're as British as egg and chips.

well up for it, as my dick was hard and she knew it as she'd felt it rub up against her through my jeans.

In the taxi, we continued to make out and she had her hands down my boxers stroking my cock while I was caressing her shaven pussy. I'm sure the driver knew what we were up to, but we didn't care. Instead, we just let him enjoy the show. As we got out of the taxi, she led me inside and straight upstairs to the bedroom. She didn't mess around.

After I kicked off my shoes, she undid my belt and took off my jeans and boxers. Grabbing hold of my cock with one hand, she helped me pull off

NAT'S THE NUTS!

AS A BONUS, NATALIA WILL EMPTY YOURS!

Natalia, to the naked eye, looks like she was custom built to drain nuts of whatever happens to be swimming about in them. Which, in our case and probably in yours too, is sperm.

It's the combination of a perfectly peachy arse, that dirty blonde hair, her uptilted and immensely suckable tits, and a glint in her eyes that tells you she knows one end of a cock from the other.

"Are you calling me a slag?" a clearly piqued Natalia asks. "Because I'm not one. No one calls you a name just because you're obsessed with pussy. Women are meant to like dicks, and once they do, you go and make a name up for them."

We didn't say a word. We just said you've got the stuff that makes dicks go all empty. Bloody hell. Soz. ♣

RED ALERT!

SONIA IS SOAKING FOR A POKING...

It turns out that Sonia Red wasn't making a joke about *Red Sonja*, the 'classic' Brigitte Nielsen flick, when she chose her 'nom de porn'. No, she'd never heard of it.

"My name is Sonia, and the porn producer I was with suggested it. I thought it was cool. It's not until a few weeks later when I start telling people my name that everyone is going on about this film with Arnold Schwarzenegger in it which came out before I was even born."

We assume you've seen it now, yeah?

"Yes, and it wasn't very good. In fact, it was shit, although Brigitte Nielsen is very sexy in it. But overall it's very poor, and nowhere near as good as *Krull*."

Now, we really didn't expect to hear that... ♣

CLUB'S ROUGH GUIDE TO... THE WINTER OLYMPICS

It happens but once every four years and features some seriously strange sports, but whether it be staying up until 3am watching Curling or becoming strangely fixated by the female Bobsleigh teams in their skin-tight lycra suits, most of us have had one of those Winter Olympic moments. Matt Loxham certainly has...

History

The first Winter Olympics were held in Chamonix, France, in 1924, and featured just 200 athletes from 16 nations competing over 16 events. Interestingly, less than 15 of the competitors were women, and they were only allowed to take part in the figure skating and the washing up.

Nevertheless, the games were a huge success, and effectively secured the event's future as a fixture in the sporting calendar, although things didn't go quite so well for organisers of the second Winter Olympics in St. Moritz.

The opening ceremony was hit by a blizzard – quite normal for such an event you might think – but then the weather inexplicably improved and became almost balmy, meaning the 10,000 metre speed-skating had to be abandoned and the cross-country skiing took place amidst temperatures that could be described as 'summery', which naturally played havoc with the snow conditions.

The St. Moritz games were also notable for producing the then youngest Winter Olympic champion in history when Norwegian Sonja Henie – who later in life would go on to become both a famous actress and a rather controversial figure for her alleged friendship with Hitler – won gold in the figure-skating aged just 15. Indeed, she held the record all the way up until the 1998 games in Nagano, Japan, when American skater Tara Lipinski finally trumped Henie by just two months.

Apart from breaks in 1940 and 1944 due to the Second World War, the Winter and Summer Olympics took place in the same year up until 1994, when the Lillehammer games marked the decision to run them alternately on even years, helping to establish the Winter version as an event in its own right.

Now always hugely anticipated by fans of alpine sports the world over, and often stumbled upon with a combination of amusement and fascination by people who previously had no idea it was going on in the first place, the Winter Olympics are celebrated for this very uniqueness.

After all, it's not often you get to see people launching themselves off huge ramps with just a pair of skis for company, or flying down an icy labyrinth in a rickety little carriage that looks like it might fall apart at any moment.

Featuring a winter wonderland of Skiing, Bobsleighing, Curling, Skating, Ice Hockey, Luge, Skeleton Bob, Ski-Jumping and Snowboarding, we challenge you not to be charmed by the mayhem and madness that is set to ensue at Vancouver 2010.

British Hopefuls

Considering we're a non-Alpine nation, the Great British team always punches well above its weight at the Winter Olympics. Admittedly this isn't so much with regard to medals – for Britain's best performance at the games you've got to go way back to Chamonix in 1924, when they returned home with a rather modest one gold, one silver and a couple of bronzes – but in the fact that they actually manage to get a team of any size there in the first place.

The likes of Torvill and Dean, Robin Cousins and John Curry have provided us with golden moments on the skating rink over the years, but equally impressive is our ability to continually produce viable competitors in the more unusual events – events in which training opportunities on these shores are severely limited.

Indeed, no less than 55 athletes will compete for Great Britain over 12 disciplines in Vancouver, and there's even talk of a best ever medal haul. Here are just a few of our main contenders...

Amy Williams & Shelley Rudman – Ladies' Skeleton Bob

Strictly for the clinically insane, the Skeleton Bob involves competitors flinging themselves head-first down the Bobsleigh run on a tiny sledge affectionately referred to as a 'tea

tray'. Bizarrely, as we don't have one single championship standard track in Britain, Team GB has won a medal in this event every time it has been included in the Winter Olympic schedule, an impressive record that is hopefully set to continue in Vancouver.

Amy Williams, the self-confessed 'mad one' in her family, switched from being a decent 400-metre runner to become a great 'Skeleton Bobber'. After literally crying with fear on her first few runs, Amy soon got used to the crazy notion of flying down a treacherous and remarkably bendy ice track at speeds of up to 90mph, and last year won silver at the World Championships in Lake Placid.

Unsurprisingly, Williams has high hopes of picking up a medal at the Winter Olympics, but amongst her main rivals in Vancouver is British teammate Shelley Rudman. Rudman won silver at the 2006 games in Turin, and, after taking a break from the sport to have a baby, returned in 2009 better than ever, winning the European Championships and working her way up to second in the world rankings, making her one of the favourites for gold at the Winter Olympics.

Will it be Williams or Rudman who returns home happiest from Vancouver? Expect excitement, lycra-clad women and a double helping of British interest when the Ladies' Skeleton Bob kicks off on Thursday February 18th at midnight GMT.

Curling – gripping and unique viewing, hypnotic, entertaining and euphoric. No, honestly!

Men's & Women's Teams – Curling

Does anyone remember staying up until the early hours to watch the legendary Rhona Martin skipper the British ladies to Curling gold in the Salt Lake City games of 2002? No? Well, call me a sad case, but I do, and it all made for gripping and unique viewing, hypnotic, entertaining and euphoric in equal parts. No, honestly!

After huge expectations turned to disappointment back in 2006, Great Britain again arrive in Vancouver with two teams that are bang in there with the favourites, in particular the men, who are the current world champions – defeating Canada 7-6 in the final – albeit whilst competing for Scotland.

Yes, the British team is essentially the Scottish team in disguise, but they're our boys for this one, and with skipper David Murdoch currently playing out of his skin and a crowd of Curling-crazy Canadians baying for revenge, this should be one of the events of the games.

John Eley – Short Track Skating

Full of hustle and bustle, rough and tumble, and crashes and smashes aplenty at speeds approaching 60kph, Short Track Skating is by its very design always guaranteed to be one of the most thrilling events in the Winter Olympic programme.

And with Nottingham's John Eley bidding to improve on his highly respectable 5th over the 500 metre distance at the 2006 games, Great Britain are in with a genuine shout of a medal.

Now four years older and wiser, Eley is ranked in the World's Top 10 over the half kilometre distance, and he recently won silver at a World Cup event, putting him right in the frame for a podium finish. Find out if he does it from 11.30pm on the 15th February.

Vancouver & Whistler 2010

February 12th sees the opening ceremony of the 21st Winter Olympics, and one that will welcome 'With Glowing Hearts' (the games' sickly tagline) around 5,500 athletes from 80 countries to compete in 86 events across 15 sporting disciplines. The games have come a long way since their inception back in 1924.

With an incredible 1.6 million spectator tickets up for grabs, a security budget of $900 million, and the whole shebang coming in at a total cost of $1.76 billion, don't be fooled into thinking this is anything but a big deal, and although many people in the UK might not even know they're even happening, the Vancouver games, as they are being officially called – Whistler, roughly 75 miles from Vancouver, will host all the Nordic events such as Skiing and Bobsleighing – are all set to provide just over two weeks of thrills, spills, excitement and, ahem, cross-country skiing.

Even better, with Vancouver being eight hours behind GMT, many of the events will be taking place live when many of us get home from work, drifting on until the early hours of the morning, by which time you might be asking yourself the age old question: Why am I watching bobsleighing at 2am when I've got that incredibly important meeting tomorrow morning? Beats me, but the Luge is up next, so what's another hour or so? ♣

What's been keeping *Club*'s network of global correspondents busy this month?

THE DIPLOMAT CARD: DON'T LEAVE HOME WITHOUT IT

Three self-styled 'promoters' were recently banged up in the big house after trial in Kansas City, Missouri, having been found guilty of selling numerous monumentally gullible people 3" x 4" laminated 'diplomat' cards that would supposedly legally grant them immunity from paying taxes or being held to account for any crimes they might commit. A spokesperson for the FBI said the punters taken in by this scheme spunked up one-off payments ranging from $450 to $2,000 for the cards.

DIRTY OLD, OLD, OLD MAN

Chirpy child-molester Theodore Sypnier, who recently made headlines in America as the first-ever New Yorker to celebrate his 100th birthday behind lock and key, has been released from the pen and installed in a halfway house run by Reverend Terry King – a cleric who has taken Sypnier in twice before and warns that the ancient monster is still very sprightly and a tremendous danger to children. "As a father," said King, "I would not want my child anywhere near him."

Sypnier, who was offered counseling and told the authorities to stick it, has reportedly told the horrified Rev. King: 'I'm a hundred, and I ain't gonna change.'

STUNT FAMILY CONFLAGRATIONSON

Hot on the heels of the well-publicised 'Balloon Boy' fiasco, in which an overly ambitious father exploited his young son in a bid to break into reality television, another headline-hungry dad, this time from North Vancouver, British Columbia, submitted a demo reel to reality show producers which featured himself and

his entire family running around the garden as petrol-drenched human torches.

The proud father, Jim Dunn, is one of Canada's leading film stunt men, and his wife and three sprogs, aged 15, 12 and 9, have all performed as stunt doubles in the past – though it was the first time that the youngest child, then aged 7, had been set ablaze for the camera by his parents.

Although Dunn said safety precautions were taken, appalled critics of the stunt were quick to point out that in the course of previous stunts, Dunn has suffered a cracked skull, half-a-dozen leg fractures and required two bowel resections.

HIGH, BUT NOT QUITE HIGH ENOUGH

Drugs may have been partly responsible for the tragic plight of a 25-year-old man hospitalised after being found by Seattle Police screaming in pain, impaled on a spiky metal fence behind a city bar.

Officers called to the pub to investigate a complaint about a beating determined that the injured man had fled a brawl in the bar in a state of altered consciousness, and, when confronted with the bar's security fence, had believed, for the sake of convenience, that he was a 'ninja warrior', perfectly capable of leaping it.

£41,000 FOR A FIVER

Laughing his socks off this month is 42-year-old ne'er-do-well Hayley Price, who recently pleaded guilty at Cardiff Crown Court to having forged cheques from his uncle's bank account to the tune of £41,000.

Upon learning that the miscreant had blown the whole sum, which he'd thieved before being caught and tried, the judge accepted that Price had no money with which to make reparations... and fined him a piddling fiver for his 'dastardly' crimes.

my shirt with the other. She then pushed me onto the bed and by the time I looked up she was already out her knickers revealing the full glory of her twat. Grinning, she mounted my cock, riding it like a cowgirl at the foot of the bed. Her tight hole was already moist and ripe for fucking. It only took a few minutes for her to squirt her juices down my shaft when she climaxed, which took me by surprise as I'd been holding back.

She continued fucking me, saying, "your turn," and "cum for me," over and over again. We were now in the middle of the bed and she was really going for it, bouncing up and down on my throbbing cock. I grabbed her by the waist and got her to lie down for me and then I started ramming my cock in from behind in a spooning position. My balls tightened and she sensed that I was going to explode any second.

She obviously preferred to be in control of the situation as she pushed me over and resumed the cowgirl position. My cock was twitching and I pulled her close to me, embracing her as I jizzed inside her pussy. We both finally collapsed in a sweaty mess, elated.

LET'S MOVE IN NEXT TO LUSH LINDSAY...

Fuck, but we'd love to live next door to Lindsay, especially as she spends half her time walking around her place in the nuddy.

"Well, I lived next door to an old lady for a while," says the Californian cutie, "so I didn't think it mattered. But now it's a bunch of college guys and they're always at the window."

So we're assuming you'll be wearing a dressing gown from now on?

"Screw that. Clothes are so restrictive. I don't care if those guys keep looking over with their binoculars, as long as they've got boners, I'm doing something right."

Why don't you invite them over to check?

"Screw that as well. I don't want some college dick being all cocky. I'll stick to real men who know what they're doing. And maybe I'll fuck 'em in the window so the college perverts can learn something!" ♣

Visionracer VR3 Driving

£949+

www.visionracer.com

Now this is something for people who are so desperate to experience reality in their living room that they are simultaneously prepared to lose all grasp of actual reality. I mean, can you imagine walking into a house and in front of the pre-requisite plasma, there's a full Formula 1 style racing chair? Of course you can! It would be amazing, right? So, if for some mental reason you're not already convinced, then let us tell you it has a Logitech steering wheel, pedals, perfectly placed gear shift, comfortable sitting position and all the juddering feel of real racing. Add in some speakers with a nearby headphone jack and you can drive long through the night without upsetting anybody. However, conversely if you are in a relationship with a real-life lady and want it to end quickly, arriving home with one of these will pretty much do the job.

Pros: Looks and build are both great.

Cons: Oh, if we have to... it's pretty expensive at close to a grand for the full kit.

Apple Ipod Nano 5G

£115+

www.apple.com

The Nano has always had limitations, thus making everyone who bought a better performing alternative slightly smug towards those whose imagination won't extend beyond the letter i. Nonetheless, even those people may actually have to concede that this time round it seems like they've got it right. Although it looks pretty much the same as before, on closer inspection the screen is slightly larger and is equipped with a better aspect ratio than previous models. Plus, they've added movie-making facilities, an FM Radio (with pause function) and, crucially, improved the sound (just don't think you can use the crappy headphones they supply you with to access it properly). In fact, for once, you can confidently buy a Nano without the promise of three weeks down the line realising that you really shouldn't have just been suckered in by the 'nice pretty colour'.

Pros: Quality of both sound and vision, and the added bonus of an FM Radio.

Cons: Tricky to actually use as a camcorder due to a stupid lens placing, so for that you'd be better off buying, well... a camcorder.

Dualit Kitchen Radio

£170

www.dualit.com

Now here's something to buy for the middle-class image-conscious friends in your life (aka ponces) who already have a Phillipe Starck lemon-squeezer, some sort of trendy Alessi corkscrew and, of course, the pre-requisite Dualit toaster... a shiny new Dualit Kitchen Radio! There are

few things that signify the middle classes more than stainless steel, retro design and a 'wireless' in the kitchen, so here you have all three in one and actually it's pretty damn good. As is the Dualit way, it's not made by Year 9 children on a DT project, and is built to last (although the exterior will take a little more maintenance than that of your iPod) and the DAB radio is rock solid. Also, imagine the 'hilarity' when you pretend to put some bread in it by mistake the morning after a dinner party.

Pros: Clarity is great, with the single speaker more beefy than it looks.

Cons: Expensive. You've got to love those friends.

Toshiba TG01

Free

www.toshiba.com

We here at *Club* don't want to immediately subscribe to the well-worn theory that 'bigger is better' but, let's be honest, when your girlfriend says this to you, it's pretty obvious she's lying. Therefore it's strange that Toshiba's new handset can brag about having a screen that's more than four whole inches! Well, 4.1 to be exact, and in the world of mobile phones that's positively Ron Jeremy-like. However, in the ultimate contradiction, it can also brag about lacking any major girth, making it the hand-held equivalent of a flat-screen TV (almost). It has a super-fast, and less power-consuming processor, which means you can outlast your iPhone rivals who've blown their wad early by downloading a pointless 'app' that lets you put a photo of your face on Dot Cotton's body.

Pros: Look at the size of that bloody screen!

Cons: Runs Windows Mobile, not the operating system of choice. ♣

LISEN UP!

RIGHT UP ANGEL'S FANNY, THAT IS...

We like nothing more than sitting back on the sofa with a Hofmeister (or similarly topical beer) and watching Angel Dark getting cock in a Euro porn movie. It's one of life's richest pleasures. But watching her get her tuppence licked by Lisen runs it pretty close.

Angel seems to enjoy minge as much as meat, from what we can tell, and she tucks into Lisen's juicy box with relish. We haven't seen Lisen get dicked yet – we're reserving a special can of Harp for that night in – but we reckon that when we do, she'll be a multi-orgasmic mess, seeing as how she gets set off with more or less every flick of Angel's tongue.

We offered to put some sausage in their sandwich, but they made their excuses and left. Out the window... ♣

No. 5 – Missy

Missy, who shuffled off this mortal coil in August of 2008, came later than many to the adult movie game. Already in her mid-twenties, she began appearing in amateur videos with her then-husband, but was soon spotted for being the ravenous hottie she'd later prove herself to be in glossy hardcore features made by the likes of Wicked Pictures. Throughout the second half of the 90's, she voraciously consumed cock – expertly, mind – in a number of AVN Award-winning films such as *The Psychosexuals*, *American Tushy* and – my personal favourite – *Buttslammers the 13th*.

Alas, a career of slurping on dongs wasn't for Missy. She quit the biz in 2001, sending a letter to *AVN* in the process that detailed she'd had a mental breakdown and subsequently found God. Quite what God wanted with a woman who'd spent the previous five years being made airtight by manmeat whilst a cameraman filmed it for all the world to see I don't know, but he was pretty bloody rough on her regardless.

Just seven years later, at the age of 41, Missy took an overdose of prescription drugs and was found dead in her California apartment. There was a subsequent hoo-hah about whether or not the overdose was deliberate, and her family ensured that no-one she worked with in the adult biz made it to the funeral, leaving a bitter-tasting end to the career and life of a top-drawer porn starlet. Missy, wherever you are, we hope you're happier now, and that the cocks in heaven taste sweet as candy.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: STEPHANIE BEACHAM

I'll be honest, I'd forgotten about Beacham until that appalling *Celebrity Big Brother* threw her back at the British public earlier this year. She hadn't really strutted her stuff properly since the days of *The Colbys*, when she swanned around in low-cut tops and push-up bras acting all glamorous whilst giving the nation's men boners. Back then we didn't have the internets or loads of smutty channels to furnish our desires, all we had were sexy shows like *The Colbys* to give us an eyeful.

Here's the problem – she was fitter than ten aerobics instructors in the early 80's cos she wasn't yet 40. Now, at the age of 54, she's not so much MILF as GILF. So, would you part those posh pussy lips and see if there was still oil in the engine? Course you fucking would – you'd be up there faster than a rat up a shitty drainpipe. Why? Cos she's posh and, therefore, clearly dirty (lawyers: I don't actually know if she's dirty in real life, this is basically an assumption). No wonder Vinnie and Baldwin got hard-ons for her (again, lawyers, I can't guarantee they were erect, but I'd like to think they were) – there's a good coupla years in the old banger yet.

Check out that pair of Big Brothers!

WHEN PORN STARS HIT THE MAINSTREAM...

What is it with Gina Lynn and gangsters? Seems the only time she'll get appear in anything other than fuckfilms is when she's lured onto a movie set to act opposite guys who say "fuggedaboudit" and "Hey Tony, so-and-so got whacked" a lot. I've lost count of the times I've yanked my doodad to her films, so it's nice to see the gal stretch her shapely legs in the mainstream world too. She played a Bada Bing gal in *The Sopranos* a few times over the course of the series, getting her HBOobs out and gyrating on stage whilst Tony, Christopher and the gang talked tough in the back room of the club. And even more mainstream, she did a saucy but thoroughly PG-rated routine in the smash comedy *Analyze That*, giving Billy Crystal something to ogle at whilst doing his not-particularly-funny shtick. Seeing as Gina clearly has a clause in her contract to state that she'll only appear in gangster movies outside of smut, here's hoping they make a *Godfather Part 4* and set it in the present day. Gina could play Gina Corleone, head of the family. Who gets her tits and fanny out every now and then. Man, I really should work in Hollywood.

Fancy a bada bonk?

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Anyone who likes seeing ladies fucked and spunked on and all whatnot will probably have given themselves a tweak or two to the delightful Aurora Snow at some point in their worthless lives. I know I have. She's a joy to follow on Twitter, not cos she says all the rote "look at my new horny video" or "I like blowjobs" you get from every other pornstar desperate to keep their fanbase drooling, but because she shares her humanity and thoughts with her followers as she goes about her day. And intersperses them with pics of her in her undies. There's something ten times more intimate seeing a candid snap taken by the babe herself on her iPhone, than some overlit production line porno shoot, isn't there? Okay, so you can't wank over her tweets, but she's a sweet little princess and well worth keeping tabs on. Okay, okay, I'm a stalker. Jeez, gimme a break! Follow her (digitally, not literally – please) at *twitter.com/MissAuroraSnow*

"Reading about ice hotels....sounds interesting...just think about all the activities you'd do to warm up in your room...."
"Room is dark, the rain is loud and I'm in bed w/a migraine headache and light fever. Blah- this is ruining my plans for today!"
"Its for a fetish site- get to dress up in latex and spank/whip someone (that's it, that's the whole scene, strange, right?)"
"Good morning. Just had the longest hot shower, steam is still rising from my bare legs..."
"How cute! Saw a raccoon for the second time outside my building... It won't hold still for a picture... Seems friendly in a way"

HD T&A – THE WAY GOD INTENDED...

If you haven't been watching *Mad Men* on the telly, well let me start by saying you're a fucking idiot. It's smart, sassy, intriguing and stylish in pretty much equal measures, and one of the classiest shows you can find yourself slouched on the sofa guzzling beer and eating tinned foods in front of. Not only that, but it makes you want to smoke – every fag one of the Manhattan Avenue ad men lights up suddenly makes you forget why you gave up the ol' cancer sticks in the first place (even though the actors on set are ACTUALLY smoking herbal cigarettes for legal reasons, fact fans). Anyway, the real reason you should be watching the show comes in the form of two very different but equally doinkable bints – the curvaceous Christina Hendricks, who plays office manager Joan Holloway, and the svelte sex kitten January Jones, who plays sexually confused housewife Betsy Draper. Seriously, after watching a coupla episodes you'd consider doing anything just to get a sniff of their hair – even stuff that would really hurt, like chopping your own finger off (though not your fingering finger, of course). And the good news is *Mad Men* is available on Blu-ray, so you can ogle Christina's peachy butt and January's lissom bod in full HD glory

TRUDGING THROUGH THE WORLD'S SEX TRIVIA SO YOU DON'T HAVE TO...

When Viagra first became available, owners of Nevada brothels reported that business 'shot up' about 20 percent (bet that wasn't the only thing to 'shoot up' eh? EH?)

The sperm of a mouse is longer than the sperm of an elephant (which justifies why elephants are so scared of 'em)

In ancient Greece, women would expose their vaginas to ward off storms at sea (which explains why sailors are such a filthy bunch)

Hybristophilia is arousal derived by having sex with people who have committed crimes (which is presumably what keeps the likes of Amy Winehouse in lovejuice)

A bull can inseminate 300 cows from one single ejaculation (although not if he gives all the lady cows facials, or jizzes on their udders)

MIXING WORK WITH PLEASURE

A U.S. Marine Colonel was about to start the morning briefing to his staff. While waiting for the coffee machine to finish brewing, the colonel decided to pose a question to all assembled.

He explained that his wife had been a bit frisky the night before and he failed to get his usual amount of sound sleep. He posed the question of just how much of sex was 'work' and how much of it was 'pleasure'.

A Major chimed in with 75-25% in favour of work. A Captain said it was 50-50%. A Lieutenant responded with 25-75% in favour of pleasure, depending upon his state of inebriation at the time.

There being no consensus, the colonel turned to the Private who was in charge of making the coffee and asked him for his opinion.

Without any hesitation, the young Private responded, "Sir, it has to be 100% pleasure."

The colonel was surprised and as you might guess, asked:

"Why?"

"Well, sir, if there was any work involved, the officers would have me doing it for them."

GAG SNAG

A travelling salesman's car breaks down in the countryside, so he decides to knock on at the closest farmhouse.

When the farmer opens the door, the salesman says, "Sir, my car died just up the road. Could I stay here for tonight?"

The farmer says, "Sure, but I have a very handsome son and you'll have to promise not to sleep with him."

"Excuse me," says the salesman, "but I think I'm in the wrong joke."

THE PRICE IS SHITE

An attractive, well-dressed woman walks into a shop that sells very expensive Persian rugs. She looks around and spots the perfect rug and walks over to inspect it.

As she bends to feel the texture she farts loudly. Very embarrassed, she looks around nervously to see if anyone has noticed. As she turns back, standing next to her is a salesman.

"Good day, ma'am, how may we help you today?"

Very uncomfortably she asks, "Sir, how much does this rug cost?"

"Ma'am," he answers. "If you farted just touching it, you'll shit yourself when you hear the price!"

WHAT AN ARSE

A man walks into an emergency room with two black eyes and a broken nose. The doctor asks him what happened.

"Well," says the man, "I was having a nice round of golf with my wife. She sliced her ball into a pasture of cows. We went to look for it, and while I was rooting around, I noticed that one of the cows had something protruding from its rear end. Sure enough, when it lifted its tail, there was my wife's golf ball."

"And?" asked the doctor.

"Well," the man said, "that's when I lifted the cow's tail, pointed, and yelled to the missus, 'Hey, honey, this one here looks like yours!'"

NOTE SO STUPID...

A young boy enters a barber's shop, and the barber whispers to his customer, "This is the stupidest kid in the world. I'll prove it to you."

The barber puts a five pound note in one hand and two pound coins in the other, then calls the boy over and asks, "Which do you want, son?" The boy takes the pound coins and leaves.

"What did I tell you?" said the barber. "That kid never learns!" Later, when the customer leaves, he sees the same young boy coming out of the ice cream store. "May I ask you a question? Why did you take the coins instead of the fiver?"

The boy licked his cone and replied, "Because the day I take the note, the game is over."

A COUPLE OF PECKERS...

A Mexican woodpecker and a Canadian woodpecker were in Mexico arguing about which country had the toughest trees. The Mexican woodpecker claimed Mexico had a tree that no woodpecker could peck. The Canadian woodpecker accepted his challenge and promptly pecked a hole in the tree with no problem. The Mexican woodpecker was amazed.

The Canadian woodpecker then challenged the Mexican woodpecker to peck a tree in Canada that was absolutely 'impeccable' (a term frequently used by woodpeckers). The Mexican woodpecker expressed confidence that he could do it and accepted the challenge.

The two of them flew to Canada where the Mexican woodpecker successfully pecked the so-called 'impeccable' tree almost without breaking a sweat.

Both woodpeckers were now terribly confused. How is it that the Canadian woodpecker was able to peck the Mexican tree, and the Mexican woodpecker was able to peck the Canadian tree – yet neither was able to peck the tree in their own country?

After much woodpecker pondering, they both came to the same conclusion: Tiger Woods was right when he apparently said that your pecker gets harder when you're away from home.

THE WAITING GAME...

A policeman is doing his usual rounds just before midnight when he passes a lay-by and notices a couple inside a parked car.

He stops to investigate and sees a man in the driver's seat and a young lady sitting in the backseat, quietly reading a magazine. The officer knocks on the driver's window and asks what's going on.

"Listening to music," the guy says.

Pointing toward the young lady in the backseat, the officer asks, "And what's she doing?"

"Reading a magazine, of course."

"How old are you?" asks the officer.

"I'm 23."

"And how old is she?"

The guy looks at his watch and says, "Well, in 11 minutes she'll be 18."

SASHA'S BEEN HUMPING ON HER HOLS...

With a tan like that, British wonderbabe Sasha has either been on her hols, or at the tanning salon. Confess all...

"Both. I went away with the girls for a mad week over Christmas. We needed a bit of winter sun, but I just ended up in bed all week and hardly saw any daylight."

Come down with a cold?

"Grow up, I was getting fucked. Me and my girls in bikinis getting drunk, how was it not going to end in sex?"

We hope you practiced safe sex, Sasha.

"Who needs to practice? I'm the master! And it's always safe when they jizz on your tits, isn't it? I'm joking, of course I did. So I got lots of cock but no sun, so I had to hit the salon for a top up when I got back..." ♣

NAME: Dani **AGE:** 19
WHAT'S SHE LIKE? She's a sexstar in the making!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
Ah, I love wanking to *Club*, and other porn mags as well, but mostly *Club* because the girls are the sexiest.

WE HEAR YOUR MODELLING CAREER IS TAKING OFF ALREADY?
Yeah, I sent pics in to *Escort* and *Razzle* as well, and they were quicker off the mark than you guys and I've shot loads of pictures for both of them.

SERVES US RIGHT!
You did take your sweet time, but I can finally say I've been in *Club*. I plan on showing it to a guy at my work who I fancy. He plays hard to get, but if he thinks he's getting into a porn star's pants, it'll be a different story.

ANY CHANCE OF PORN MOVIES?
Not just yet, but who knows. I really like American gonzo ones where the girls are surrounded by cocks and covered in spunk. I'm not sure I'm ready for that just yet!

OH GOD, TELL US WHEN YOU ARE!
Ha ha, I will! Maybe we can make a private one as my way of saying thanks for putting me in *Club*.

THAT WOULDN'T BE PROFESSIONAL.
Oh, go on, I'll be very dirty... ♣

ALBUM REVIEWS

ENTER SHIKARI
Tribalism (Atlantic)

Packed full of live tracks, B sides, remixes from High Contrast and The Qemists and a couple of new tracks, *Tribalism* is as essential for Shikari fans as Viagra is for Grandad. Get your glow sticks out and ram them up your girlfriend's fanny.

OCEAN COLOUR SCENE
Saturday (Cooking Vinyl)

OCS were brilliant back in the mid 90's when fingering girls at the back of the geography class was business as usual. Nowadays, a monthly quickie when she hasn't got a 'headache' is about all you get to smile about, but the good news is that Steve Cradock & co are still going strong and their 9th LP is a decent effort.

THE COURTEENERS
Falcon (Polydor)

Ever been doggin' and received an invitation from a busty red head in a Ford Cortina? Well, I have and it's bloody marvellous – just like this Madchester lot's 2nd album. Slap this on the iPod and say hello to wagon loads of indie snatch.

THE SMOKING HEARTS
Pride of Nowhere

Sunday afternoons are all about tear arsing down a country road on a motorbike before stopping in a lay by to bum your Mrs in her leathers. Once you've got home, this head bangin' rock n roll will keep you bangin' down her back doors into the early hours. Result.

GOLDHAWKS
Trick of Light (Vertigo)

Watch out for these lads in 2010. Named after the West London street where they possibly bagged a fair slice of clunge, they make super radio friendly stadium rock that will no doubt make your girlfriend moist. Sounds like Bryan Adams doing Snow Patrol covers.

RUBBER JOHNNY

Club chats to Gay For Johnny Depp guitarist and all round deviant, Joseph Grillo...

Other than music stuff, what other jobs have you done in the past and did you fuck anyone whilst on the job?

I spent a summer as a jizz mopper in a lovely establishment called Peter's Palace. And I never mix work and pleasure so 'no' to the fucking question.

And the perks of being a jizz mopper?

All the free tissue a man could use. I got paid in lube. But not many girls frequent 'jack shacks' as I am sure you can imagine. I did meet an interesting young man from the streets of London there actually. I think his name was Ollie or Jeff, I can't recall. He said he had spent much of his life hungry and living in an orphanage and had recently gotten hooked up with some guy named Fagin, possibly Donald Fagen of Steely Dan fame, who was teaching him the ropes of street thievery.

Right. Please can you describe an encounter with the police?

It was very dark and strangely humid – you could have cut the tension with the sharpest of knives. There was a tussle, some crying, a loud moan of passion, and quite a bit of blood. I think I lost a piece of my earlobe that night, Tyson-style.

Where is the most random place you have had sex?

All by myself on Alpha Centauri, one of Jupiter's moons. Very quiet. I liked it a lot.

What is the most random thing that has ever happened to you?

I got interviewed by a porn magazine once. It was surreal. I was high the whole time.

What is your drug of choice?

Nailed to the X, baby!

Have you ever killed an animal, either by accident or for pleasure?

Yes, and the animal was a lot like a human. Legally, I shouldn't go into it. I am sure you understand.

Have you got any funny stories that involve sex shops?

I find the non-funny stories involving sex shops to be dynamically more fascinating, but no, I have never been inside one since that summer job I mentioned.

In the whole world, where is your favourite red light district?

My bedroom, probably.

Have you ever been caught having a wank?

Onstage, yes. I don't know if 'caught' is the right term because I charged people money to watch, but there ya go.

Have you ever met Johnny Depp himself?

I have yet to have the opportunity to meet the goddess himself, but if it happens be sure you will hear my cries of joy on the winds of our love.

ON THE GAME

VANCOUVER 2010 *(SEGA)*

PS3, PC, XBOX 360 ★★★★

The Winter Olympics – covered in detail in this issue's *World of Spurt* – is often more fun to play as a game than it is as a spectacle to watch. Although tedium sets in without fail when it comes to cross country skiing. Happily, there are 14 events in total here, with giant slalom and bobsleigh among the best. Single player has limited charm, but multiplayer is a blast – either online or with a bunch of mates out-luging each other on split-screen. Best of all, you get to play without getting cold, and après ski is in liquid form chilling in the fridge.

THE SIMS 3: DESIGN & TECH STUFF *(EA)*

MAC, PC

★★★

You might not think *The Sims* is for you, but think of it this way: Ever have rows over who gets to watch what on telly? You want to watch a bit of *Sky Super Sunday* and she's hankering after a rerun of *Diagnosis: Murder*? Well, *The Sims* is lady drugs par excellence. This and a laptop will keep her away from your remote control for months, if not years. In fact, get her this latest bunch of add-ons – including sweet new electronics – and you might never hear a peep out of her again. Be honest, though, you want to try it too, don't you?

ALIENS VS PREDATOR

PC, XBOX 360, PS3

★★★★

Securing the license to a series of *Aliens* games is a real coup for Sega. And what's particularly good about this game is that it tosses away the old A Vs. B dynamic. We're now in the realm of A Vs. B Vs. C, which makes a world of difference. Playing as Aliens, Predator or Colonial Marines, you can explore the single-player story, before heading for the 3 cornered online multiplayer, which we anticipate which will be mental. This FPS looks great, sounds great and does much more for the franchise than the dreadful movies.

UNIVERSITITTIES!

Nicola is my University roommate's 19-year-old sister, all blonde hair, soft brown eyes and playful smile. But the sweet exterior hides one dirty girl – and doesn't hide her for long!

I first realised this when he let her stay in his room while he was on holiday, so it was just the two of us in the place. She walked into the kitchen wearing just an old T-shirt. As she reached for cereal in the high cupboard, it rode up and I got a flash of bum. Just in case I thought it was accidental, she made sure I was looking before she bent over, giving me an eyeful of plump pussy peeking juicily out from between her arsecheeks.

This was just a cocktease, but as I walked by her room half an hour later, I heard a loud buzzing noise. I listened for a few minutes, enjoying her moans as she obviously fucked herself with a vibrator, then went back to my room to deal with my hard on. As I wanked off, I imagined her in front of me, ploughing her cunt with her toy and smiling all over her sweet little face as I jizzed on her.

She teased me just as much the next day, so I called her bluff, acting unimpressed, seeing how far she'd push it. I got everything from flashes of tit, to finding her vibrator left on the kitchen counter. I helped myself to a sniff and lick, then moved it so she'd know I'd noticed it.

Finally, she walked into the kitchen wearing just a thong. I carried on eating my breakfast, pretending to ignore her as she peeled it off then draped it on my head, so the crotch was over my nose. I breathed in deep, and as she went to walk off I reached out and grabbed her.

I got her standing there, three fingers pumping in her fanny, while I calmly sipped my coffee.

"I drilled her deep, splaying those cheeks and feeling my balls swing against her crotch..."

Then I told her to go fuck herself with her toy and went to my own room. It took a half-hour of frenzied frigging before she cracked, but I was hard and ready when she burst in on me.

I waved my dick at her and she straddled my body, jamming her dildo in her cunt, which drooled its cream onto my skin. She looked so much like my wank-off fantasy. Then she pulled out her toy and sucked on it, as I spanked her clit with my cockhead. Then – at last! – I stuck my prick in her cunt. She rode me, playing the toy all over her tits and then on her clit – I could feel the muffled buzzing of it in my dick and balls. She was going all out, arse slapping against my thighs, tits smacking together till I grabbed a handful and pulled her forward so I could suck on them.

She spread even wider, taking me deeper, every suck on her nipples snapping her twat tight. Then she was cumming, her pussy muscles draining my balls as they squeezed my shaft.

We only had a day or so before her brother got back, so we made the most of it, just one big blur of fucking. It's hard to pick a standout moment – maybe the time I fucked her in front of a full-length mirror. We were facing it, her in just her sexy heels. I drilled her deep, splaying those cheeks and feeling my balls swing against her crotch, my hands cupping her plump tits. She kept on catching my eye in the mirror, telling me to fuck her cunt then pull out and fuck her face.

She came hard, fingers diddling away at her clit. Then she got on her knees in front of me, side-on to the mirror, and sucked me to an intense cum. As I started to shoot, she balanced the tip of my dick on her tongue. Then she aimed the rest of it on her tits, before licking them and my cock clean.

She acted like butter wouldn't melt in her mouth when her brother got home. Maybe it wouldn't – my dick certainly stays solid in there! *Jack, Huddersfield*

SHAVE TO THE RHYTHM!

I've always been a little shy and self-conscious, thinking that guys only liked girls with serious curves and big boobs. Then I met Jake who said I had the nicest tits he'd seen in his life.

He wasn't just being nice – I'd see him gaze at my tits when we were out, then move around in his seat to ease the strain on his dick! One time in a restaurant, we sneaked out the back. The poor boy was so horny he couldn't wait for me to get out of my jeans. "Just show me those tits," he groaned. Then, the instant I got his cock out of his jeans, he was dousing them in spunk.

I mopped it up, rubbing it in, and we went home for an early night. He fucked me long and slow, hands and mouth all over my boobs as he made me cum, then he came himself, deep in my twat this time. That's nice, but I like when he cums on me, especially my sexiest parts! So, as a treat for both of us, I asked him to shave my pussy. It's always neatly trimmed, but I'd never had it all removed.

He was already hard when I lay back on the bed and splayed my thighs. Then he soaped my pubes and used a razor to shave me smooth, stretching my skin as he laid it pale and bare. He patted my cunt dry – it felt so naked and sensitive, and soft beneath my fingertips.

I reached forward, got his dick in both my hands then began to stroke it, palm over palm. He didn't go near my cunt, frustrating us both; then I felt his balls get tight and his cum shoot out. The heat as those salty drops hit my newly bald skin got me whimpering with pleasure. I reached down to touch myself but Jake brushed my hand aside. He smeared his cum all over, coating my pussy lips. Then he went down on me, tongue raking my slit and stirring around in my hole. He trapped my clit between his fingers, squeezing and rubbing.

As I came, I felt him swallow, sucking down all

the juices as they flowed out. Then he licked his way back up, wetting my nipples. Just as I thought I couldn't cum any more, his dick, semi-hard again, brushed over my clit as we kissed, sending another bolt of pleasure through me.

I started rubbing up against him to get him hard, catching hold of his dick and working it against my puffy slit. With no pubes to soak them up my juices were streaming out, my entire cunt slick.

"She lowered her head until the entire length of my knob vanished..."

I got him inside of me, but he only fucked me for a few strokes before pulling out and flipping me on my tummy. Now he did me lying-down doggie, body stretched out over mine. That way he could slide his hands under me to cup my boobs, or else reach down to give my clit more attention. The size and weight of him, pressing down and spreading me, had me grinding on the covers. I started to cum, felt myself tauten around the thick length in my hole, then pulse in ecstasy as my orgasm rippled from my clit and through my pussy. He stayed in deep, then started to fuck me harder, until he was really pounding in and out. Then I felt a gush of spunk high inside of me.

He pulled out, working it all over my slit and crack, scooping it all out with his fingers to rub in. He dipped a finger in my twat, which got me squealing and jerking around on the bed.

I hope you liked reading this – I've never felt so sexy so I thought I'd write you and share it! I now keep my pussy shaved and, maybe it's wishful thinking, but I'm convinced no shop-bought cream keeps my skin as smooth and soft as a generous shot of cum!

Julie, Gloucester

FRENCH LETTER!

We all have our favourite type of female. Personally I go for long-legged, buxom blondes, and they must be tattooed. The sight of a naked girl emblazoned with skin art gives me an instant hard-on. Such was the case with Madeleine. Last summer, having split up with my long-term girlfriend, I'd decided to scuttle off to travel around Europe and drown my sorrows with booze and birds. Because I love the accent, I opted for a French beach resort. I was savouring a cold beer soon after I'd checked in at the hotel when I spotted a tattooed hottie a couple of tables over. Raising my glass in her direction, I said, "Quel beau jour," which means, "What a beautiful day."

To my horror, she replied, "You wha', mate?" I'd struck out – she was English too, so I made a swift exit to another bar.

Which is where I had better luck. I was only two gulps into my second beer of the afternoon when a female voice said, "Bonjour, m'sieu!"

She was standing behind me, but from the sound of her voice I could tell she was a sex kitten supreme. "Bonjour," I replied. "Parlez-vous Anglais?"("Do you speak English?") Moving around so I could see her in all her sexy, tattooed glory, the girl said, "Mais certainement!"

"Hi," I replied. "I'm Barry."

Smiling, she said, "My name is Madeleine." Catching the barman's eye, I gestured that we required more drinks. Madeleine spoke excellent English, and in no time flat we were pouring our broken hearts out to each other. We had so much in common. Not only had both of us recently been ditched by our partners, but we also had the hots for one another. So I made my move. "Shall we, uh, get to know each other better?" I asked.

"If you mean shall we fuck," Madeleine replied, "Then the question is why aren't we already?"

This one was a peach. "Listen, my hotel's near," I said. I didn't need to finish the sentence.

Back in my room we were both naked in a flash. Madeleine took the lead by pushing me onto the bed and wrapping her mouth around my throbbing cock. Holding it hard around the base, she lowered her head until the entire length of my knob vanished. It was my first experience of being deep-throated, and I was fucking loving it! Then Madeleine started bobbing up and down my shaft, sucking her cheeks in hard as she did so.

Her technique was so incredible that before long I felt that familiar tingle in my balls signalling an imminent orgasm. She sensed it too, and suddenly stopped blowing my cock just before the point of no return. Having taken charge, Madeleine ordered me to prop myself up against the pillows, then said, "It's showtime!"

I made myself comfortable and started mindlessly playing with my cock. "No,"

Madeleine said. “Leave that alone and watch. What I’m going to do will keep you hard, I assure you.” Then she promptly did this strange bendy thing with her legs, which were suddenly somehow crossed around the back of her head. And when Madeleine tugged her pussy lips wide open, I could see the inside of them was pinker than pink, and sticky with her sexcretions. “You like, oui?” she asked in her luscious French way.

“Fuck, yes!” I replied.

“Would you like to kiss me there?” I didn’t answer. I simply leapt across the bed and started kissing and licking at her lovely cunt. I’d only been doing it a short while when Madeleine said, “Enough – now we fuck!”

She unwound herself, then, holding both her ankles, spread her legs as wide as possible. Diving between them, I thrust my dick balls-deep inside her well-juiced cunt. We fucked like this for a while before Madeleine let go of her ankles, and wrapped her legs around my back to pull me in her to the max.

Then she relaxed her grip, saying, “I want it hard and fast, baby! Fucking hard and fucking fast!” Told you her English was good.

Ever eager to please a lady, I started pummelling Madeleine’s pussy with my prick, harder and faster than I’d ever fucked before. It wasn’t too long before she screamed, “Oh mon Dieu!” in a powerful orgasm. Seconds later, as Madeleine quivered on my cock, I jettisoned a load of cum custard in her cunt.

Tats and a hungry twat? You won’t be surprised to learn that I didn’t get much further than France on that particular trip…

RATINGS: ★ SQUEALING ★★ SQUINTING ★★★ SQUELCHING ★★★★ SQUEEZING ★★★★★ SQUIRTING

MISFITS (4DVD, £19.99)

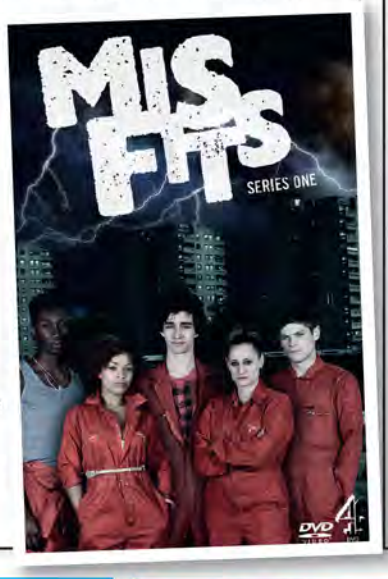
You might once have thought that E4 was just full of Big Brother's Bastard Little Brother and such, but over the last few years they've produced some fantastic youth TV with cross-generation appeal. There's *Skins*, for starters, but also this, which flew under many people's radars.

Misfits has been described as a cross between *Skins* and *Heroes*, which is surprisingly accurate. A group of young offenders get caught up in an electrical storm while doing community service, and find themselves with supernatural powers. On top of which, it's live action, has great special affects and – how thoroughly modern – the characters even tweet during the broadcast of episodes.

So it feels utterly new and also utterly now. The script buzzes, the acting is lively and, most importantly, it's funny. We can't wait for season 2.

★★★★★

We've got a giant container full of *Misfits* goodies to give out like it's frickin' Xmas. 6 DVD's, 6 collector's edition comic books, and 6 T-shirts. Good, eh? Just email your details to *clubint@paulraymond.com* to get in the mix.



PANDORUM (ICON HOME ENTERTAINMENT, £17.99)

Ah, the old 'people on a spaceship in deep space discover they're not alone' film. Yes, it's been done before, it's been done better, but we never really tire of it. Much of *Pandorum* is a lot of old hokum, hooey even, but Dennis Quaid and Ben Foster are never anything other than good company as they wake from deep sleep to find themselves in deep space/shit. Director Christian Alvart drops the ball quite a lot, but as decent Friday night fodder with a tub of ice cream, this'll do nicely.

★★★

TRIANGLE (ICON HOME ENTERTAINMENT, £15.99)

Blimey, but that Melissa George is all growed up. Starting off in *Home and Away*, she graduated to a bit part in *The Limey*, a meatier role in unsung survival horror *30 Days of Night* but, even better, she's brilliant in HBO's psycho-babble fest *In Treatment*. Here, she has to carry the whole movie, and does so with aplomb.

Triangle could be put in the aforementioned survival horror bracket, but there's much more to it. As Jess, she finds herself on a mysterious ocean liner, one that she can't help but feeling she's been on before. As she and her friends are hunted, with plenty of visceral thrills on the way, the film constantly hints at hidden depths deeper than those the liner is adrift in. Christopher Smith handles the material deftly, but George is a revelation.

★★★★

THE MENTALIST (WARNER HOME VIDEO, £39.99)

It's always hard to find a new hook to hang a cop show on, but that doesn't stop people from trying. Forensics have been done to death, so recent innovations have focused on body language (*Lie To Me*) and bumbling wackiness (*Psych*). *The Mentalist* is a notch above those two, largely due to Simon Baker's strong central performance as Patrick Jane, who consults independently for the California Bureau of Investigation. Turns out he used to be a fake medium, while his wife and daughter were slaughtered by a serial killer. Now, he uses his observational skills to solve crimes. Big ratings, big awards, time to see what all the fuss is about.

★★★★

We've got three copies to of Season 1 to give away. Just email 'I'm a Mentalist' to *clubint@paulraymond.com* to blag one.

THE PETER SERAFINOWICZ SHOW (4DVD, £19.99)

Peter Serafinowicz has been around for longer than you think (unless you think he's been around for ages, in which case you're right). Never mind being the voice of *Darth Maul* or starring in *Spaced* as Simon Pegg's nemesis, he was great as far back as 1998 as the rugby playing bully brother in the BBC 2 sitcom *How Do You Want Me*? His eponymous show is hit and miss, but the hits hit hard. It helps that Serafinowicz is a master of vocal disguise – he does a mean Ringo Starr here – but the real keeper is corpulent ad-man Brian Butterfield. Someone give that man a spin-off.

★★★★

We've got three copies of *The Peter Serafinowicz Show* season 1 to lose. Just email 'Internet Ham' to *clubint@paulraymond.com* to be in with a chance.

Mitsubishi Shogun Book – Paul Guinness
(Haynes, £9.99)

The Mitsubishi Shogun – otherwise known as the Panjero or Montero, for reasons I don't really care about, but Paul Guinness does, and he'll explain in full, don't worry – is a car that inspires a great deal of loyalty. Not just that, it kickstarted a whole new market for the 4 x 4 – yup, it has a lot to answer for! In true Haynes style, Guinness breaks down the history, looks at imports and then goes under the bonnet with mods and upgrades. So, whatever you call it, if you have one, this is for you. ★★★★

New Mini Book – Tim Mundy
(Haynes, £9.99)

A modern day classic, the New Mini is also a phenomenon. As affectionately as we Brits felt about the Mini, by the late 90's it was something of an historical artefact, an *Italian Job* piece of nostalgia, rather than a going concern. But BMW changed that with the 2001 launch of the New Mini, a critical and sales success. Tim Mundy charts its rise, dips into its history and provides plenty of practical information about tuning and modifying your New Mini. And so the legend lives on for another generation… ★★★★

Best Lesbian Erotica - Edited by Kathleen Warnock (Cleis Press)

Just before reading this, we had a sweepstake on the amount of times the word 'finger' would be used in the 22 stories within. Unfortunately we can't tell you because the work experience boy walked when we asked him to count. Our estimate is still 'a fuckload'.

Famously, writers of erotic fiction use pseudonyms, and there are some classics here – Sophia Valenti, Betty Blue, Gala Fur, Natt Nightly, Doctor T. Cuntocks (we only made one of these up, honest). Overall, it's fur pie for the straight guy.
★★★

Life's a Gamble – Roy Brindley
(Bantam)

There are few essential poker books. Al Alvarez is one of the few authors to combine a respect for the game with a respect for the written word, while most manuals are technical and, while useful, hardly zing off the page. So can we add Roy Brindley's tome to the shortlist? Nope. He's a notable European player, but a workaday writer. He's always had the gambling bug, but this sags underneath endless anecdotage, and tedious pictures sections – you'd have to be a big admirer to give a single fuck about all the cars he's driven during his life.
A busted flush. ★★

The place to be for the world's dirtiest backdoor sex stories. All butts and no ifs...

CHRISTM-ASS PRESENT!

Last Christmas, for an extra gift, I gave my boyfriend Neil a card saying he could fuck me in the arse – the first time I'd offered. He'd wanted it so long I thought he'd have me bent over immediately – instead, he said, "Thanks, love!" and put the card on the bedside table. A little confused, I started to kiss him, then lick my way down, cupping his balls as I sucked on his helmet. My other hand was grasped around his root, jerking him into my hot mouth. Then I swung a leg over to sit on his face.

He ate my pussy, moaning how wet it was before jamming his tongue in deep. His fingers were on my clit, circling. Then he started to lick backward, slobbering saliva and juices on my bumhole. This was more like it... He had two fingers in it, probing and pumping, getting me ready for his prick. I sighed as I felt him shove me forward, down toward his dick, reverse cowgirl. I leaned forward, pulling my cheeks wide apart, his fingers sinking in knuckle-deep.

As they slipped out with a pop, I moaned, only for him to start wanking his dick against my cunt. As it bumped up against my clit, a little tremor of pleasure went through me, then I sat down hard, taking him in balls deep. I rode his cock, clamped tight around him as I frigged away at my clit. But I kept fantasizing that he was doing me in the bum, picturing my tiny pink pucker stretched wide open as he ploughed deep.

Maybe Neil was thinking the same thing. Usually, he fucks me hard and long, holding back till I've cum a couple times. Now it was like he was straining to keep control. I tightened around his cock, then felt his spunk splash deep inside of me.

We lay back on the bed, fooling around as we recovered, Neil fingering my arse crack. All day long, he teased and frustrated me. Any time I rubbed up against him, he'd grab a handful of my arse, make me think he couldn't resist... Then go back to the TV or whatever we'd been doing. Eventually, I got on all fours on the rug, splayed my cheeks wide and told him he'd better stick his cock in my arse or he wasn't getting any sex till New Year's Eve.

He still made me wait, then got on his knees, slobbered on my arsehole, and fed his dick slowly inside of it. As it inched in I started cumming, never more turned on than now and, once his fingers found my clit, I don't think I stopped cumming throughout. He took it slow, relishing each thrust, each clench of my bum around his meat, before finally flooding my arse with jizz.

My original gift had been one single arse-fuck, so he wanted me to want it as bad as he did. I ended up so hooked on anal, my arse was swimming in cum all Crimbo long...

SLOPE SLUTS!

Each winter, I go snowboarding with my two best friends. The slopes are fun, but our cabin is where the real action happens. Cheryl is a natural boarder – I love to follow her down the mountain, watching her curvy arse sway with each turn, knowing I'll be eating it soon. There's a huge shower in the bathroom, so we like to share – I'm usually the first one on my knees, eating one pussy as I finger the other, while Cheryl and Ellie make out. When they've cum, we'll dry off in front of the fire in the living room. They'll suck on a tit each as one of them fingers my minge, then it's time to play with the toys.

"I tightened around his cock, then felt his spunk splash deep inside me..."

This year they each brought a strap-on, and I got double-teamed. Ellie did Cheryl's pussy for a few strokes, then fed it to me. She wouldn't let me lick around the end – if I wanted all the cream I had to suck it in deep. Now Cheryl was slapping tingly lube on my slit, because she was going to dick me with a real monster! The head against my pussy felt solid and heavy. Then I gasped as it penetrated my cunt, stretching me lengthways as well as wide.

She had a vibrator and teased the tip around the pucker of my arse, like she was planning to fuck it. Then she held it up against my clit and I started going mental. I hung onto Ellie's bum, so her dildo wouldn't slip out of my mouth as I moaned, and I just kept on cumming until I was all spent.

I staggered over to a chair so I could watch them play around together. They were in a sixty-nine, dildos crammed in each other's mouth, harnesses pulled sideways so they could fuck each other with vibrators. Ellie had a fat one in Cheryl's cunt, while Cheryl used a slim wand in Ellie's arsehole. Sooner than I thought, I found myself reaching for a dildo, thrusting it into my cunt. Meanwhile they kept on cumming, bodies trembling, and when they finally laid back on the

rug, I moved over there.

I unstrapped Cheryl's big dildo – I'd barely been able to take it in my cunt, so easing it in my arsehole was a slow job! Then I got Cheryl to roll over on her belly, with that cute bum sticking in the air.

I rode it as I stirred the toy around in my bum, juices pouring out my pussy and onto her cheeks. They were slick all over by the time I was done. Next up, I reamed Ellie from behind with a strap-on, while she slapped her tits up against Cheryl's sticky arse. The memories should keep me going till our next trip!

VALENTINE'S DAY ASSACRE!

I was single last Valentine's Day, so I went out in search of fun. I dressed sexy so I'd feel sexy and it worked a charm! My dress was tight as were my knickers, stroking against my cunt all night. So when I got home with two blokes, Matt and Aidan, in tow, I didn't need foreplay. I got naked on all fours, with Matt in behind me, while Aidan's cock got a sucking. Matt banged me deep and I let Aidan fuck my face to the same rhythm. Matt was already rigid, but I felt Aidan's dick swell up even harder and bigger, pinning my tongue down as he filled my mouth.

This was a quickie fuck to start out with, and I heard a groan as Matt blew his load in my cunt, then pulled out to shoot the last few spurts up against my arse. He spanked his cock on it, slathering it with cum, then called his mate in back.

Aidan hesitated, taking slow deep breaths as he got back in control again. Then I felt him touch his cock up to my bumhole. As he eased up against me, I pushed back, then relaxed, letting him slide inside of me down to his balls.

He fucked me slow now, wanting to savour this, and by the time he was hitting his stride, Matt was hard again and feeding me his dick. I tasted the spunk and my own pussy juice, moaning around it as I slurped on the head. Then Aidan reached around and started to stroke my clit.

I never cum as hard as when I've got a knob buried deep in my arse and, as my orgasm powered through my entire body, it set Aidan off too. I just shut my eyes and stayed still as I felt the hot wash of streams of sticky sperm in my bumhole. Then I went back to sucking Matt's beautiful cock, which was even harder than before now it was my only focus. I sucked it every way I knew how.

Soon, his nuts started twitching like the spunk in them was boiling up, then he started cumming. I took a creamy mouthful down my throat, then let him spray the rest of it all over my boobs. "Bloody hell, you're dirty!" said Aidan, as I strutted around in my spike heels, streams of jizz running off of my tits and down to my crack.

This year I'm dating and I've told my man, fuck romance, let's have a dirty night in. And I'm hoping you'll print my story for him to read, to give him more proof of what a slut he's found!
Kath, Stevenage ♣

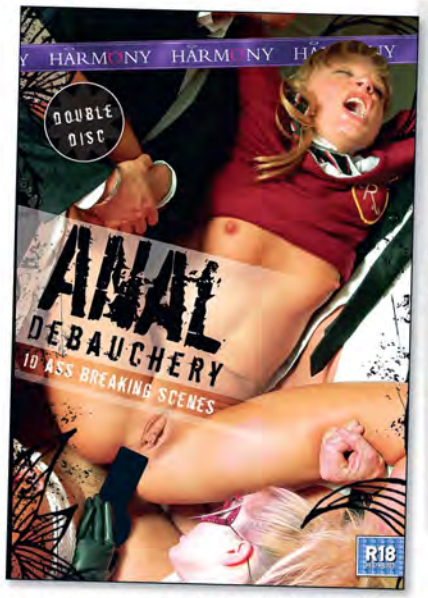
SCRUFF JUSTICE!

Treat yourself to a posh wank or a self-inflicted reach-around...

RATINGS: ★ DESTROYED ★★ DEBATABLE ★★★ DEROBED ★★★★ DEFLOWERED ★★★★★ DEBAUCHED

ANAL DEBAUCHERY (HARMONY)



Anal sex is harder to shoot than you'd think. We've seen tons of scenes where blokes listlessly bang away at the 'wrong cunt' while some dopey bint scowls. That doesn't happen in Harmony films, where the backdoor action is frequently highly stylised, but always looks like a heap of fun too, which it is. Unless you're doing it wrong. Here you've got Alicia Rhodes, McKenzie Lee, Isabel Ice and more maintaining a proud British tradition of getting bummed in the bum. Magic. ★★★★★

THE DIVORCEE (SMASH PICTURES)

It's nice to get a feature porn film through the post that isn't a spoof. I mean, *This isn't Noggin the Nog XXX* was just the last straw. *The Divorcee* revolves around a courtroom where Monique Fuentes is in the process of getting a divorce – a chance for judge Ron Jeremy to preside all over her fanny. Highlights include the ace Phoenix Marie getting her arse doinked, and the evergreen Avy Scott putting in another solid shag. All rise! ★★★★

FLY GIRLS (DIGITAL PLAYGROUND)

Talk about dream casting. Digital Playground have got a headstart with their immensely strokeable roster – Jesse Jane, Riley Steele, Raven Alexis and Katsuni are all here. But then they add Sasha Grey, Jenna Haze, Lisa Ann, Nikki Benz and more to the mix, and they're all dressed as air stewardesses. And not real life ones, the ones who chisel about giving you a second bag of nuts, but the mythical ones who want to give you a reach-around at 40,000 feet. Porn joy ensues, naturally... ★★★★

ANDIE'S RANDY!

SHE WANTS YOU TO FUCK HER BANDY...

Being called Andie is a curse. 'Bandy Andie', 'Andie Pandy', the teasing never stops, does it?

"I don't care," shrugs Andie, "and Randy Andie fits the bill pretty well. My sex drive is sky high. I'll be sat on the bus to work and my pussy will just start getting wet and I have to bring myself off in the office loos before I even turn my computer on."

Just have a wank before work?

"Oh, I do. And I spend an hour every night wanking too. I can't stop. I've got a little dildo I keep in my handbag just in case."

That's handy, Andie... ♣

FUCK BROOKES!♣

Dakoda is really very naughty...

Dakoda might look ridiculously sweet and nice – and indeed she is. But boy, some of the things we've seen her do... Who'd have thought a cute little thing like that would get double penetrated in the likes of *Slut Puppies 3*? We thought she'd be the kind of girl who did am-dram and scrapbooking.

"I'm more of a wild child," says the Alaskan native. "Why do you think I've got these tats just near my pussy? They're to remind guys that that's what they need to be focusing all their time and attention on!"

Believe us, we are!

"Good. And when you're done pampering my pussy, you can travel round the back and take care of my ass too!"

We think she means 'arse'.

"You Brits! Forget the words, cut to the action..." ♣

MILFS IN TRAINING
We're all going to hell in a handcart! You couldn't make it up etc. Moral outrage courtesy of the *Daily Mail*.

PUSSY TWAT
10/10 for novelty value. 0/10 for resale value. "Shitty cat car, one idiotic owner, runs on catfood, hates dog-themed cars."

WORST CAT EVER
A moggy that couldn't find a saucer of milk if you drowned it in one.

TRUST ISSUES
Never put your faith in a fireman who enjoys a good old-fashioned house fire.

FUEL FOOL
Another retarded *Top Gear* viewer fills up his car the Clarkson way.

FAT CHANCE
The combined force of Johnny Morris and David Attenborough isn't negotiating you out of that one, pal.

Nature No Free

Romantic get Daugther
More Romantic get Lady Boy

SIGN OF THE TIMES
Puzzling? Check. Creepy? Check. Foreign? Oh, definitely check. But also sexy and intriguing? Check. Hey, where are you going? Come back!
